## President's Message

"Golf is a compromise between what your ego wants you to do, what experience tells you to do, and what your nerves let you do."

Bruce Crampton

### To all Members:

The Board has assembled a nominating committee to fill openings for next year's Board of Governors. If you would like to be considered or would like to nominate someone, please see John San Luis. Please plan on attending the annual membership meeting in November as the Board will present next year's operating budget.

This month the LGA will sponsor the Susan G. Komen Rally for the Cure, an event to raise funds for breast cancer research. This is a great event for a worthy cause and the LGA does a great job raising funds and awareness. If you can play or want to help out, contact Connie Smallwood.

The Board is working to renew the lease with Cindy's at Hawthorne. We hope to have this done before the Annual meeting.

As always, if you know someone who would make a worthwhile addition, please let Cindy know in the business office. She will contact them and answer any questions they may have.

As always please feel free to contact any of the Board members or me directly at 240-216-6181 or email [qsv-lee@starpower.net](mailto:qsv-lee@starpower.net) with any questions or comments.

Respectfully,

Lee McClure Jr

President of the Board.

## Important Reminders

August 15, 2010

Dear Rally Sponsor:

The Ladies' Golf Association at Hawthorne Country Club has committed, with great enthusiasm, to host a Rally for the Cure® golf tournament on October 11, 2010. Rally for the Cure is a grassroots organization that works to spread awareness about breast health and breast cancer through golf, tennis and dining events.

We invite you to join the Ladies Golf Association at Hawthorne in their efforts by selecting any of the listed sponsorship opportunities at their upcoming Rally. Your sponsorship will help raise much-needed dollars for Komen for the Cure as well as demonstrate your support for this great cause among your fellow community members. This is our **10<sup>th</sup>** year of participation, and to date the LGA with your support has raised over \$86,000.

Rally has been supporting Susan G. Komen for the Cure®'s commitment to awareness as the first step in eliminating breast cancer since 1996. Monies generated through Rally entry fees and fundraising efforts, have produced over \$50 million and counting for Komen.

Ambassador Nancy G. Brinker promised her dying sister, Susan G. Komen, she would do everything in her power to end breast cancer forever. Thanks to golf tournaments like Hawthorne Country Club's and their supporters, Rally can continue to empower people to spread the life-saving message of early detection in their communities.

Thank you in advance for your support. Together we are making a difference!

Sincerely,

Eileen Honey
