1.3.1 GOLF COURSE CONDITIONS

The Golf Professional has been instructed to close the course or restrict the use of carts at any time that weather conditions are such that continuing play could damage the golf course. The Golf Shop is closed and carts will not be available anytime the course is closed to play including Christmas Day.

1.3.2 GOLF CART AVAILABILITY AND RENTAL

- Golf carts are available for rent up until the time of shop closing hours.
- Golf carts must be returned to the shop 15 minutes before dusk. The golf shop staff reserves the right to not rent carts to evening players who are frequently in violation of this rule.
- Members are still able to walk the course after shop hours.

1.4 GREEN FEES, CART FEES AND GUEST FEES

1.4.1 EQUITY MEMBERS BRINGING GUESTS

Members will sign all guests in under their equity member number. The guest name must have a complete first and last name. Members will be charged for the appropriate cart rental/greens fees. Members are 100% responsible for all guests in the group. All guests must play in the same foursome as their host member.

- b. Passes not used by the end of each month are forfeited. Passes in future months cannot be used until that month.

HCC Golf Handbook

1.6 RANGE BALLS

All golf balls to be hit on the range must be purchased from the golf shop. Players using their own balls on the range will be charged for range usage. A shot that will travel farther than 170 yards is not permitted on the range. All range shots must be hit from the tee. The range balls, which belong to the golf professional, may not be removed from the range area. Playing range balls on the golf course is prohibited. No player may pick up range balls from the landing area of the range. The golf professional is responsible for determining the cost of range balls.

1.7 HOLE IN ONE CLUB

The Hole-in-One Club costs \$10 to join. The money will be held by HCC and distributed at said time when a Hole in One is made. Once a player joins the hole-in-one club they will remain a member each year until they opt out. Each time a member of the club scores a hole-in-one, the club will pay up to \$250 of the member's tab. At any time, if the fund falls below \$250, each hole-in-one club member will be billed another \$10 to replenish the fund. At the end of the year, the balance of the fund will be put towards the "good of the club" fund.

For a hole-in-one club member to claim the benefit, the hole-in-one must be scored in a round of golf consisting of at least 9 holes. The hole-in-one must be witnessed and attested. A hole-in-one must be the first shot of the person who makes it on that hole. The person who makes the hole-in-one is solely and entirely responsible for when the tab starts and who will participate. The fund will only pay for the day of the event. If the bar is closed the fund will pay for the next day the bar is open.

1.8 TEE TIME BOOK

Hawthorne Country Club has elected to join the Tee-Time Book program. This program is intended to provide needed revenue for the operations of the Club with minimal impact on the membership. The details of this program can be found on the website under Golf.

HCC Golf Handbook

2 HAWTHORNE COUNTRY CLUB COURSE RULES

2.1 BREAKING THE RULES

Any player that deviates from the cart path signs, dress code, conduct or any other said rules will have the following action taken against them.

1. 1st offense- a verbal warning will be issued to the individual(s)
2. 2nd offense- a letter written by the board will be given, discreetly, to the individual(s)
3. 3rd offense- the individual(s) will be suspended from play at Hawthorne for a period of no less than two weeks

Only a Board Member, Golf Committee member, Pro or Pro Staff may give verbal warnings. All letters and suspensions will come from the Board or Golf Committee.

2.2 GOLF COURSE USAGE

The Golf Course is open to HCC members, their spouses, registered dependents, sponsored guests and tournament participants and non-HCC members playing under one of HCC's approved programs, such as the Tee Time Book.

2.3 GOLF COURSE SIGN-IN

All members and guests must sign in at the Golf Shop before each 9 or 18 hole round. All players and guests must sign in whether you ride or walk. This is an insurance issue and for notification in the event of an emergency.

2.4 LIMITATIONS OF PLAY FOR LOCAL GUESTS

During the golf season local guests may play 6 times total between March 15 and November 15th. Local guests shall include all persons residing or engaged in business within Charles County, MD, or within 20 miles of any boundary thereof.

2.5 DRESS CODE

The dress code is in effect at all times and is strictly enforced. All golfers are prohibited from wearing metal or ceramic spikes and are required to wear soft or spike-less golf shoes or smooth soled shoes and dress shorts or skirts of Bermuda length (minimum inseam length of 6 inches) or slacks. Male golfers are required to wear shirts with sleeves and collars. Mock turtles must be of a golf type and have a collar wider than one inch.

The following attire is not allowed on the golf course or practice areas at any time:

Blue Jeans or blue denim or anything deemed inappropriate by the golf staff

Swimwear	Coaching shorts	Halter tops	T Shirts
Tennis wear	Soccer shorts	Tank tops	Undershirts
Jogging clothes	Numbered jerseys	Cut offs	Ripped or torn clothing

2.6 TEE CLOSURE ON WEEKENDS AND HOLIDAYS

The HCC Golf Professional may restrict access to the Course from 9:15am until 11:00 on Saturdays, Sundays, and Holidays during the golf season. This arrangement allows the early tee times to make the turn without disruption. The decision to restrict access will be made based upon the number of players on the course from the early tee times. For all other times, groups coming to #10 will alternate with groups waiting to begin play on #1.

2.7 PLAYING GROUP SIZE

Player groups must consist of no more than four (4) players. Permission must be granted from the golf shop if a group desires to play with more than 4 players. Singles and twosomes should form larger groups on weekends when possible and must form larger groups when instructed to do so by the golf shop staff. Singles have no priority on the golf course and must yield to any group.

HCC Golf Handbook

2.8 FOOD AND ALCOHOL

Alcoholic beverages may not be brought onto club property. Glass Bottles may not be brought onto the golf course (or in the pool area). Food may not be brought or purchased and delivered onto the property during normal restaurant hours.

2.9 CARTS AND CART PATHS

Each player that elects to use a golf cart will receive the cart key with the corresponding number to the cart inside the golf shop. All players that elect to use a cart **MUST** follow the **90 Degree** and **Cart Path Only** signs when posted adjacent to the Men's #1 tee box. Cart keys must be returned to the pro shop when the round is complete.

Keep golf carts on paths whenever possible and no closer than 30 feet from all greens and tees. Carts are not permitted on the fairway on # 6/15 or to the left of the cart path on #'s 5/14 and #6/15. Carts must be kept on the cart paths when required to do so. Carts are not allowed in the woods at any time during the course of play. Because of the installed irrigation system, be cautious of sprinkler heads and also of low areas where the turf may be soft and spongy. Only two riders are allowed per golf cart. Three bags are allowed - not three people. The extra weight puts heavy strain on the body, frame, engine, and transmission. At the completion of play, please return the golf cart to the staging area, returning the key to the Pro Shop. If you have had any difficulty with the cart, please report the problem to the golf shop staff.

2.10 GOLF CART RENTALS

To drive or rent a golf cart, you must be 16 years or older and possess a valid driver's license. All members who wish to rent a cart must sign to do so in the golf shop prior to playing. All golf cart rentals are handled from the golf shop. Non-golfers may ride in a cart with a golfer without paying a cart fee with the specific authorization of the golf shop staff.

Those persons using a golf cart understand that it is for rental only and not for sale. The renter agrees that he/she has rented the item(s) herein described under the express condition that it will at all times remain the property of the rental agent named above; that he/she has examined said item and found to be in good condition and will return it in as good condition as when it was received; that ordinary wear and tear is expected; that he/she will return item at once to the rental agent in the event any item is not functioning properly; that he will pay promptly when due all charges which accrue during rental, including any damages to said item. In the event the renter fails to return said item at the agreed time or fails to abide by any of the other terms of this contract, the rental agent may repossess it without notice to the renter, at which time the rental agent is hereby released from all claims arising there from. All charges are based on the time items are in renter's possession whether in use or not. The rental agent is not responsible for accidents or injuries caused directly or indirectly in the use of the rented item.

2.11 GOLF CART DAMAGES

The person assigned to the cart is responsible for all damages, defacing and the condition of the cart during the rental. The person is responsible for repair costs due to any damages that occur during the rental.

2.12 PRACTICE / PRACTICE AREAS

The practice areas include the driving range, putting green and the practice bunker. Practice is only allowed in the designated practice areas. No practice is allowed on the golf course at any time, especially on the 8th tee and the 9th green. When using the practice bunker beside the putting green, please alert those players near you and exercise caution when executing these shots. The dress code applies to all practice areas.

HCC Golf Handbook

2.13 SEVERE WEATHER WARNING

In the event of dangerous weather situations an air horn will be used to issue a warning (one prolonged blast). When the warning is sounded all golfers ***MUST IMMEDIATELY CEASE PLAY*** and return to the clubhouse for shelter! Play is not permitted until the horn is sounded again (two short blasts).

2.14 USE OF GPS AND RANGEFINDERS

Hawthorne C.C. has adopted the recommended USGA local rule for artificial yardage devices for all events governed by HCC jurisdiction. GPS devices and laser rangefinders (without slope ability) are allowed in competition. WMGA (like the A-Team) and other events held at HCC may follow the USGA rule 14.1 banning artificial devices.

HCC Golf Handbook

3 GENERAL ADMINISTRATION

3.1 POSTING GOLF SCORES

The USGA requires that all 9-hole and 18-hole scores be posted in a timely manner using equitable stroke control. It is YOUR RESPONSIBILITY to see that your scores are posted. The Golf Pro and his staff will only post Tournament scores.

3.1.1 POSTING GOLF SCORES IN THE GOLF SHOP

You may post all scores at the golf shop computer located in the hallway leading to the men's locker room. Looking at the menu on the computer screen:

- Enter your member posting number (as usual)
- Enter your score, date and course in the menus available

3.1.2 POSTING GOLF SCORES FROM A REMOTE COMPUTER

You may post your scores via online:

1. Go to <http://www.msganetwork.org>
2. Enter your Username and Password and click "Login"
 - a. If you do not have a username and password, use HCC + your member number as your username and enter your last name for your password. If this does not work, contact the golf professional for assistance.
3. Press the "Enter Score" Button.
4. Enter the information requested to post your score.

3.1.3 WHEN TO POST SCORES

The season in our area for posting scores begins on March 15th and ends November 15th. Away rounds, played in other areas should be posted if they are in season. The handicap computer will be turned on March 15th for posting this season's rounds.

Scores made in our golf season (March 15th thru November 15th), when the local rule of "PREFERRED LIES" (sometimes referred to as winter rules) are in effect, SHALL BE POSTED for handicap purposes. "PREFERRED LIES" means a ball lying on the fairway you are playing may be lifted and cleaned, without penalty and placed within one club-length of where it originally lay, not nearer the hole and so as to preserve as nearly possible the stance and condition required to play the original lie.

Nine-hole scores must be posted anytime you complete at least 7 holes of play. Eighteen-hole scores must be posted anytime you complete at least 13 holes of play. If a player does not finish a round because of weather, darkness, etc. and has played at least 7 holes or if a player completed at least 13 holes, then a nine-hole or eighteen-hole score respectfully must be posted. The USGA handicap system states that if a player does not play a hole, his score for that hole for handicap purposes shall be par plus any strokes he is entitled to receive on that hole per his or her handicap. When recording this hole-score the score should be preceded by an "X".

Rounds played ALONE are NOT to be posted in the handicap system.

3.1.4 EQUITABLE STROKE CONTROL

If a player starts but does not complete a hole or it is conceded, he shall record for handicap purposes the score he most likely would have made and such a score shall not exceed the limit provided by Equitable Stroke Control (ESC).

HCC Golf Handbook

ESC is the downward adjustment of individual hole score for handicap purposes in order to make handicaps more representative of a player's potential ability, ESC sets a maximum score that a player can post on any hole depending on the player's individual handicap. It is used only when player's actual or most likely score exceeds his maximum number based on the table below. This is for all golfers.

COURSE HANDICAP-----	MAXIMUM SCORE ON A HOLE
9 or less	double bogey
10 thru 19	7
20 thru 29	8
30 thru 39	9
40 and up	10

Example: Bob has a Course Handicap of 12 and therefore has a maximum number for any hole of 7, regardless of par being 3, 4 or 5. He may be having a difficult time on hole number 12 (par 3) at HCC and take 11 strokes but he can only count/post a 7 when posting the score.

3.2 HANDICAP COMMITTEE

The Golf Committee has assigned a Handicap Committee the responsibility to monitor and ensure members have valid handicaps. If you do not post ALL of your scores, you MAY NOT have a valid handicap. Simply placing a completed score card in the box next to the sign-in sheet DOES NOT constitute posting a score. Frequently initials, nicknames or first names are the only name on the card and it is impossible to determine with certainty the identity of all golfers. The responsibility to post scores is yours and yours alone.

3.2.1 HANDICAP ADJUSTMENTS

The Golf Committee has been empowered to adjust (up or down) any member's handicap for any reason deemed necessary.

Your handicap should reflect your current ability. If you have a recent physical injury or your last 20 rounds posted cover more than one year, the Committee may adjust your handicap to ensure fairness in competitive events.

3.3 GOLF SHOP CREDIT POLICY

The following policies and parameters are set for tournament credit earned by members through tournament winnings for the current season. Members are encouraged to pre-book any item on their wish list for the season. Tournament credit may be applied to that item at any point. The member will be responsible to pay the difference on any remaining balance (if any). Any special orders using tournament credit must be placed no later than March 15th of the following year from which the credit was earned. The Golf Professional reserves the right to accept or deny any special order at his discretion.

- All tournament credit must be used by March 15th.
- On March 16th, each year, all credit is automatically cleared and cannot be redeemed.
- Internet pricing may not apply to actual shop pricing and or any shipping fees.
- Standard shipping fees will apply to all special orders.
- Clothing articles are seasonal items and may not be available for special orders.
- Discounts are at the Professionals discretion and will only apply to stocked inventory.
- Special orders, if accepted, will only be placed from open vendor accounts.
- Members are permitted to use credit on lessons.
- The Golf Professional will maintain a list of vendors from which to choose. New vendors may be added as the season progresses.

HCC Golf Handbook

3.4 GOLF PROGRAM ADMINISTRATION

- The course will be closed for all tournaments with 40 or more players for the time it takes to complete the tournament
- Members must sign up for posted tournaments by the deadline or at least 24 hours in advance of the first starting time
- Additional late entries will only be accepted to benefit the tournament. (i.e., the added player(s) will complete a pairing/team)
- Players must be 18 years of age and a member of the MGA or LGA to sign up for tournaments that do not specifically include junior golfers
- Juniors (or other golfers) may be invited to play by the pro to benefit a tournament. (i.e. replacing a golfer who has failed to show with an available player to keep the teams balanced)
- Members who sign up for a tournament and fail to show up or cancel at least 24 hours in advance will be charged the posted tournament fee
- To participate in a tournament, all players must have a current HCC handicap.

3.5 HAWTHORNE SANCTIONED EVENTS

All tournament fees, golf shop credit and awards fees must be billed through Hawthorne for events that are sanctioned by Hawthorne. Sanctioned events are events that are listed in the handbook and published in the schedule. Any event that requires the assistance of the golf shop or Hawthorne committees must have a respective nominal fee included in the entry fee of the event to be applied as golf shop credit to the winners of the tournament. Special cases may occur and will be approved by the Golf Committee.

3.6 OUTSIDE GOLF TOURNAMENT POLICY

These events include all tournaments open to the general public such as Pro-Am and charity fund-raisers. An HCC member must sponsor the event and will be responsible for all charges. HCC bylaws require that no alcoholic beverages be brought upon club property at any time. Food may only be brought or purchased and delivered onto the property with prior approval of the Golf Committee or the Board. A tournament form will be required to be filled out by the golf professional and voted upon by the Golf Committee and the Board prior to approval. The form is available from the golf professional.

ALL EVENTS (Prime and Off-Season)

1. Must be approved by the Golf Committee.
2. If Club beverage service will not be utilized, a service charge may be added for each tournament participant as determined by the Board.
3. Golf shop merchandise can be used for gift certificates. An extra fee may be charged for each participant as determined by the Pro/Golf Committee.
4. A designated tee time will be established by the Club.
5. Fees will be charged as designated on the tournament form.
6. The Board must approve any requested exceptions.

3.7 WINTER PRO-AM'S

Winter Pro-Am events start in late fall and occur every Friday as the weather permits. These events are open to anyone and occur from November through March at different courses every Friday. A schedule will be posted on the bulletin board outside the golf shop. The format is a scramble with a pro on each team. Players must normally report by 10:30am for play beginning with an 11:00 shotgun. If you are interested in going with us, call the shop.
