

## November 2021 NEWSLETTER

Greetings,

Hawthorne Country Club remains active as the weather heads toward cooler temps. I hear that the pickle ball energies between “fun” play and the competitive mentality is playing out. The greens are showing the rewards of the energies put forth. Sal has been preparing the kitchen to open. Numerous events are coming through the Club house both for Members and outside parties. Please watch the Calendar on [thehawthornecountryclub.com](http://thehawthornecountryclub.com) for upcoming events. Please feel free to join in and experience it all.

The Hawthorne Pickle Ball has taken off. Thank you, John Sprague, for having the vision and putting forth the energies to make this happen. I know doubters personally, but you did not let that damper your energies. Numerous Members are participating in leagues and other play. Please take advantage of this Hawthorne benefit. Also Tennis has had resurgence at the Club. Feel free to contact John (email below) or HCC web site for specific details.

There are several outside events happening around Hawthorne through the end of the year. This includes events in the Club house, on the Vistas, and the golf course. Please watch Hawthorne's calendar so that enjoy or do not affect your enjoyment of the Club. One event is a Baby shower this coming weekend. If you are passing through the Bar or club house while this is going on please be respectful of this event. Also an outside event on the golf course Saturday will close the course just after noon so play early that day.

There is a Hawthorne Golf event on November 13<sup>th</sup> named Superintendent's Revenge. It should be a fun tournament with unique challenges. Form a team and join just sign up and we will find you someone to play with. Sign up at the bar or on line at [Superintendent's Revenge](#).

We are anticipating the Hawthorne Restaurant opening very soon. Sal and Hawthorne has entered a partnership to make this a success. Sal has been working cleaning and organizing the kitchen, dining area, and all corresponding facilities that have operated as our restaurant. Sal is communicating with all to set up a successful food venture. This will includes our restaurant, bar, The Vistas and other catering opportunities that will continue to benefit this healthy partnership.

**November 2021 NEWSLETTER**

On November 20<sup>th</sup> please plan to attend Hawthorne's Annual Meeting at 6PM. I am welcoming all Members to attend. Only Equity Members may participate but all are welcome to attend and view the experience. This may help those that may be wondering whether they should make the move to a full Equity Member. Sal is planning on supplying appetizers to snack on. We are using this opportunity to introduce Sal and his vision for Hawthorne's food moving forward. **Please Reply To This Email If You Plan To Attend** to help us plan.

Please Support your HCC Staff and the Sponsors that help make Hawthorne a fun place to be.
