

## MAY 2021 NEWSLETTER

Welcome to May and I hope all are looking forward to a much more “normal” summer. The pandemic is not over and the cautions needed are not gone but they are easier. We understand the precautions and procedures with more certainty than this time last year. Hawthorne will continue to follow the guidelines necessary for the safety and enjoyment of all of its Members and guests.

The Vistas and our Clubhouse are being rented out for a number of events throughout the coming months. Connie and several volunteers have worked hard to bring this forward. Please respect the guests at these events as they deserve a good experience. They are also lightening the financial burden of all Members because they are paying for the space. Also they may be potential Members.

Pool will be open by the end of this Month. There also will be registrations and work going on between now and then. I remind everyone again to watch for the children (and some adults). As our Club gets busier please heighten your awareness particularly if you are backing up. We are still accepting Pool Memberships so please reach out to your neighbors about joining.

The golf course is starting to see the grass grow. This includes the Greens. We had a professional advisor walk through the course and greens and have given some guidance as to the next steps. His assessment over all is our staff is doing the right thing. It will still take some time but look for your ball to be rolling well come July.

The first piece of new equipment has arrived, tested and in use. Several other Equipment pieces should be here in June. This will allow our staff to keep up with the course rather than working on the equipment. Also we are planning on the maintenance of these pieces being out sources to allow more working time for staff.

We have reviewed the first quarter financials. We had a hiccup that we knew was coming but swayed our budget numbers. We had a long standing Maryland Tax burden that came due. Actually we were ahead of Budget prior to that payoff. Please continue to support Hawthorne in all the fun ways.
