

AUGUST 2021 NEWSLETTER

Please keep watching out for the little ones (and some big ones) as you pull into and around Hawthorne Parking Lot.

I want to start by apologizing to those that frequent the pool on Saturday nights. There was a Wedding celebration at Hawthorne and we closed the pool area early to allow them more freedom to celebrate. They were our guest and we wanted them to have the best experience they could. The apology is that we did not get notice out very early. This will not happen again. At this time we have no other events for the remainder of the year that would close the pool area.

In the same light the tennis courts are getting recovered. The top courts are well under way and once we have the logistic of future events the lower courts will be done. This was able to be accomplished with private funding through several Members. Thank you!

The repayment of this funding is directly tied to the Vistas Events. Every event will pay off the generous Members whom believe in the Vistas, Hawthorne, and our forward movement.

Also this funding will be improving the Men's locker room and facilities. This reminds me to thank Kimmie and Diane for spearheading the clean up and remodeling of the women's facilities in the past. The men don't quite have the creativity and a bit more ego and this will slow the remodeling of the Men's facilities. If you have ideas or some volunteer energy or talents you would like to share please let us know.

Thank you to Charles for the deco around the HVAC unit at the clubhouse. Also Eli's house has been complete pressure washed in anticipation of repainting. Shortly there will be rebuilding of the lattice work protecting Eli's Trucks. Those that can hit the golf ball that far, shame that you can't control your direction. These are areas that have needed attention for some time. We will continue to improve the overall appearance of Hawthorne.

Please also note the back deck has been repaired and spruced up. This was for safety and presentation. There are still some tweaks coming but once again the appearance is drastically improved.

Please take note of our golf calendar and participate when you can. Please note that in our Member-Member tournament 12 of the 20 participants finish in the money. We have the tournaments for fun but it sure is nice when you win.
