

## **January 2021 NEWSLETTER**

Greetings Hawthorne Members,

Happy New Year to all! I am looking forward to what 2022 brings to Hawthorne. There are a lot of exciting things happening around the club so keep an eye open or better yet, come up and check them out! Hopefully everyone faired okay through the snowstorm. The golf course had a few trees and branches fall but other than that we made it out unscathed. The grounds crew worked hard to get all debris cleared from the snowstorm and continues to keep the course open as we go through winter. Hopefully we get some warmer weather so we can all get back on the course!

There have been a few improvements made in the club house. The men's bathroom for the bar and restaurant has been stripped of its outdated wallpaper and painted. The partitions have been painted and all fixtures have been deep cleaned and look like new! There are more projects on the list, and we will continue to update the clubhouse as we can.

\What we have all been waiting for, the restaurant that has been promised is finally open to members! We held an opening night, "Taste of Italy", which was a success. I want to thank all that were able to make it up to the club and help support our new partner in the restaurant, Sal. The food was great, and the atmosphere was even better! It has been a while since members have been able to sit down and enjoy a dinner with family and friends at the club and we are looking forward to many more. The restaurant is open to the members and their guests and will be following the current winter hours of operation. We will be extending these hours as we get into golf season, please stay tuned for these hours. You can contact the restaurant by email or phone. We are in the process of setting up an email for the bar and restaurant. For now, please email the office, listed below, and we will get you in touch with the Restaurant manager.

With the restaurant open, we will maintain a monthly Tam-O-Shanter starting February 1st. Full members will have a monthly \$40.00 Tam-O-Shanter and Pool members will have a \$25 Tam-O-Shanter during their membership period. The Tam-O-Shanter is not an additional charge on your bill, all food and drink you purchase at the restaurant and bar apply to this. Come enjoy a made to order pizza or a Cubano sandwich after a round of golf, grab some snacks with the kids after a day at the pool or even stop by for lunch or dinner during the week.

The social committee has already started planning events for this year. The goal is to create an inviting and fun atmosphere for our members. We will post the flyers as these events are finalized so don't forget to check the website, Facebook, email, and the bar for all upcoming events. Below is the list of events that have been finalized and are posted:

- ❖ Super Bowl Party February 13th, 2022

- ❖ Oyster Roast February 26th, 2022
  - Tickets are for sale, please purchase at the bar. If you know of someone that is interested in purchasing a ticket please let them know where/how to do so.

The grounds crew has worked hard to get the course back into shape after a tough year last year and are continuing to improve the course. The improvements can already be seen and offer an exciting look to what this year's golf season will bring. As we approach the beginning of golf season, we will be looking for paid part time help on the grounds crew. If anyone is interested in helping or know of someone that may be interested please email the office at [office@hawthornecc.net](mailto:office@hawthornecc.net) or reach out to the golf committee chairman, Kevin Bowen Sr..

The search for a General Manager/Director of Golf continues. We have had several prospects that have been interested. Ideally, we are looking for a candidate with golf industry experience but that is not a requirement. If anyone may know of someone that has the experience and would be interested in the position, please email the office at [office@hawthornecc.net](mailto:office@hawthornecc.net).

The pool committee is actively looking for a new pool manager. If anyone is interested in applying, please contact Buddy Rapczynski at [buddyrap@hotmail.com](mailto:buddyrap@hotmail.com).

Thank you all for making Hawthorne the place we all want to be at. We as board members are dedicated to make Hawthorne the place everyone wants to be at. If you are interested in helping out with one or more of the committees, please reach out to the appropriate committee chairman below. We are always open to suggestions so please reach out to us! Our emails are below, and we will gladly get in touch with you as soon as we can.

Until next time,

Ryan Bowling
