

May-June 2022 NEWSLETTER

Greetings Hawthorne Members,

If you have not noticed, there have been a lot of changes at the club this summer. There has been a lot of hard work put in by board members, equity members, pool members and of course our employees! It is great to see everyone working together to bring Hawthorne back to what it can and should be.

We now have food available to all members of Hawthorne! If you happen to order, (and you should), please thank Miss Judy for coming back to Hawthorne to serve us all again. We have a Bar and Restaurant menu available to all members and we also have a Pool Menu available for all members that may be enjoying the pool but looking for a bite to eat between refreshing dips. Bar and Restaurant hours are posted in the Bar and on the website for anyone looking!

Speaking of changes, Hawthorne has made a major change that all members, current and future, will be happy to hear. We have hired a Director of Golf Operations/GM, Ben Ellis, to help make Hawthorne the premiere place to be. If you do not know Ben, you will soon meet him, as he is a very driven and passionate individual that sees the potential Hawthorne has to offer and is eager to show everyone what they have been missing! When you see him, please welcome him!

The golf course is in excellent condition right now and is continuing to get better! If you have not played recently, I suggest you grab your clubs and play a few holes. The grounds crew has been working hard to provide the members with a course they are proud to call home. If you get a chance, please thank the grounds crew for all their hard work to get our course back.

It has been great to see so many members enjoying the pool and tennis/pickle ball courts. Please feel free to bring your own chairs and tents on the really hot days when the pool is especially crowded! Also, we would like to extend a hearty congratulations to the Hawthorne Gator swim team who have won their first two meets of the 2022 Princemont Division A swim season!

As mentioned last month, we were in the works of some smaller renovations around the club house, and they are now complete. If you have not been in the clubhouse lately, you will notice that the 1960 green and white bathroom floors have been replaced. I know it doesn't seem that big of a deal, but when you see them, you will realize what a difference it makes if you ever saw the old floors. To add to that, we also updated the hallway and men's locker room floors and added some fresh paint as an added touch. The gutter on the back porch was completed and what a difference it makes. If you have yet to venture to the back porch, you should. There are plenty of tables and chairs with shade provided by the new umbrellas where you can enjoy a meal or just a cocktail and watch the golfers play or just enjoy the view of the valley!

Membership is steadily increasing! Below is the list of new equity members for 2022.

Thank you all for making Hawthorne the place we all want to be. The board members are committed to Hawthorne being the best it can be. If you know of anyone that may be interested in a job working as summer help on the golf course, please contact us. Also, if you know of anyone that would be interested in a part time cook position please contact us. If you are interested in helping with one or more of the committees, please reach out to the appropriate committee chairman below. We are always open to suggestions so please reach out to us! Our emails are below, and we will gladly get in touch with you as soon as we can.

Until next time,
