

January-February 2023 NEWSLETTER

Greetings Hawthorne Members,

Hopefully everyone has had a great start to the new year! It won't be long and golf season will be here so dust off the clubs and get them ready!

For anyone that was there, they know we had a successful 2023 oyster roast this year. If you were not there, I suggest you get a ticket for the next one because they keep getting better and better. The Bull and Oyster Roast would not be possible if it were not for all the volunteers that help. There is a lot of work that goes into these events and having such a great group of members/staff makes it all possible. We will be changing the hours to the bar and restaurant soon, so keep an eye out! We are still in the process of finding more help so we can continue to better serve the membership.

Golf season officially starts March 15th, 2023, and continues to November 30th, 2023. Our first tournament of the year is Opening Day being held on March 18th. We have a full tournament already so if you missed the first tournament of the year, don't worry you can sign up for the next one! The 2023 golf calendar is out, and you should have received an email with it attached. You can also find the calendar on the HCC website under "GOLF". All golf events will be posted on the website calendar where you can sign up and we are working on email/text notifications of these events as well.

Pickleball has continued to grow that we now have a Pickleball Membership! You can get all the details on the HCC website or by contacting your membership committee using the directory below. If you know anyone that is looking for a membership to pickleball courts, tell them about Hawthorne's new membership opportunity. There will be several leagues throughout the year that will be sent out. You can also join the "Hawthorne CC Pickleball" Facebook page to keep up with the group!

Our new superintendents started March 1st, 2023. We are excited for what they bring to Hawthorne and how they will help us grow into the course we know we can have. We are planning a membership clean up day on March 25th to help get the course ready. Please come out and lend a hand if you can. There is a separate flyer about this event with more details. This will also be an opportunity for you to meet Country Club Care. We are always trying keep the course in the best shape possible and we need the memberships help to do so. Please repair your ball make on the greens and try fix a couple extra. Rake the bunders when you are finished and if there are some extra footprints, go ahead and rake them. Fill your divots with sand and while your there, go ahead and fill the other divots around you! If you happen to see any trash blowing around the course, stop and pick it up. Please follow all signs on the course regarding cart paths and locations that carts are not to be driven. These signs are there for the benefit of all the members and the condition of the course.

We are currently at 72 equity members. The “young membership” has increased to \$135/month for a young single and \$180/month for a young family. Club and social (Pickleball) membership is new to 2023 and \$360/season. All other memberships are unchanged. The 2023 pool membership has already started filling up. The pool membership was increased to \$725 for the 2023 season with a \$25 food and beverage minimum a month. The membership committee is continuing to work on attracting new members but the best way to really have someone experience the joy of Hawthorne is a current member inviting their friends, family and coworkers to events or even just for a round of golf or a drink after work. Once people know we are there and see the fun that we all have, they will want to be apart of that same atmosphere and friendship.

Thank you all for making Hawthorne the place we all want to be. The board members are committed to Hawthorne being the best it can be. If you are interested in helping with one or more of the committees, please reach out to the appropriate committee chairman below. We are always open to suggestions so please reach out to us! Our emails are below, and we will gladly get in touch with you as soon as we can.

Until next time,
